# ACTEVER

Actever Enterprises Ltd.

## 2022

Actever Enterprises Limited is a drinkware products company with its own manufacturers in Ningbo city, China. We devote ourselves to offer the best OEM & ODM service and premium products with advanced production lines in the past 21 years.

Monthly our production capacity can reach to 1 Million PCS and can pass the audits such as Disney, Sedex, Walmart. All the materials we are using is 100% food contact safe grade, which can pass the third party test like FDA, LFGB, California PRO 65. This has made Actever a quality company with a good reputation at home and abroad.

Our product quality and excellent service have been praised by our partners from Europe, North and South America, like super market Walmart, Target, DG, Walgreens; retail stores Ross, Disney, Shopko, Primark, Booster Juice; online store Bed Bath & Beyond and pharmacy CVS. We are allowed to build strong business relationships with world renowned brands.
